If I die fighting as a resistor ...
O bella ciao- bella ciao. bella ciao, ciao, ciao!
If I die fighting as a resistor
You must come and bury me.

Please take me back there, up in the mountains ...
O bella ciao- bella ciao. bella ciao, ciao, ciao!
Please take me back there, up in the mountains,
And with a flower, mark my grave.

See that's the flower of the resistor ...
O bella ciao- bella ciao. bella ciao, ciao, ciao!
See that's the flower of the resistor
who died while fighting to be free!
